Signature of Company Official & Title

General Manager

NOTICE: The checklist verifies that the plant facilities are deemed satisfactory for concrete production when operated correctly. However, compliance of the concrete with specification requirements must be confirmed through standard inspection methods and sales agreements.

This certificate is issued by the National Ready Mixed Concrete Association (NRMCA) to confirm that the production facility complies with the requirements outlined in Section 3 of the NRMCA Quality Control Manual for Ready Mixed Concrete Production Facilities. Unauthorized reproduction or misuse of this certificate may result in legal action.
